## Summary

Driven by a passion for innovation and efficiency, I honed my project management and problem-solving skills at TCS and Oasis Infobyte, leading to significant enhancements in application performance and employee engagement. My ability to quickly master new technologies and foster teamwork has been pivotal in delivering creative solutions that drive results. Hardworking and passionate job seeker with strong organizational skills eager to secure entry-level position. Ready to help team achieve company goals.

## Experience

- **January 2024 - February 2024**

**TCS - Hyderabad, India (Intern).**

- During my internship at TCS iON, I gained extensive experience in the field of digital learning.
- My role involved developing and enhancing e-learning modules, collaborating with cross-functional teams, and ensuring a high-quality user experience.
- Executed administrative tasks under managerial supervision to optimise workflow.
- **December 2023 - January 2024**

**Oasis Infobyte - Hyderabad, India (Web Development).**

- At Oasis Infobyte, I developed various interactive web applications using HTML and CSS.
- My work focused on creating responsive and user-friendly designs. Two notable projects include a portfolio calculator and a digital menu card for a restaurant.
- I ensured the application was responsive and worked seamlessly on desktops, tablets, and smartphones.
- This project was thoroughly tested across multiple devices and browsers to ensure compatibility and functionality, contributing to a 15% increase in online orders.
- **October 2023 - November 2023**

**Internpe - Hyderabad, India (Intern).**

- I wrote clean, efficient, and maintainable code that enhanced the tool's functionality and performance.
- Participated in workshops and presentations related to projects to gain knowledge.
- Customised customer experiences to build brand loyalty.
- Developed team communications and information for meetings.
